\*\* **24-Hour Notice** - During these time periods, any contribution or loan which exceeds \$1,000 must be reported within 24 hours of receipt via fax or our website (address above). This same contribution or loan must also be reported in the associated Post-Election report.

**Notes for Filers with Local and State Board of Elections:**

- 2) Periodic Reports are required to be filed until the Candidate or Committee requests Termination (which must be approved by the Board). The criteria for Termination are: a) an ending cash balance of zero; b) all loans and liabilities (subject to applicable contribution limits) are repaid or forgiven; and for State Board electronic filers only: c) a completed CF-18 is mailed to the State Board.

**Notes for Filers with the State Board of Elections:**

- 3) After submitting electronic reports, please visit the Board's website to confirm receipt and accuracy of content.
- 4) For electronic filers: "Filing Year" is the year the report is due to be filed.
- 5) Primary and General Election Reports are required from all filers UNLESS a Notice of Inactive Status (CF-20) is filed. The CF-20 may be submitted at the Board's website (click Campaign Finance; Filing Options; Notice of Inactive Status). Please note that Periodic Reports are still required from Committees that file a Notice of Inactive Status. However, Candidates who are on the ballot in the current election year (and their related Committees, or any other Committees supporting or opposing those Candidates) are NOT qualified to file a Notice of Inactive Status in substitution for the required Election Reports.
